

GS1 DataBar scanner and verifier compatibility

Metrologic

Last updated: 5 October 2007

Disclaimer: The information here is provided by Metrologic who have confirmed the following equipment is GS1 DataBar-ready or needs upgrading. The list may not include all models of equipment but will be continually updated as Metrologic provides us with information. The equipment mentioned is provided for information purposes only and does not imply endorsement of the products by GS1.

Please contact Metrologic for information regarding activation of GS1 DataBar on listed models or for information on models not listed.
